349 Lakeville Road
Great Neck, New York 11020

Texas Instruments TI-30XIIS Scientific Calculators are now being sold for \$15.00 at the School Store. These calculators are used by 7th and 8th grade math teachers because they model the actions that students will use on a graphing calculator for Algebra.

Texas Instruments TI-30XIIS Solar Scientific Calculator

- 10 digit-2 line display
- Slide-on hard case
- One-variable statistics include results for mean and standard deviation
- Performs trigonometric functions, logarithms, roots, powers, reciprocals, and factorials
- Easily scroll, review and edit current or previous entries
- Solar & battery power
- Choice of orange or blue

TI-30XiiS Calculators are \$15.00. Please fill out the form below and pay with exact change or a check made out to Great Neck South Middle School. Return the form and payment in a sealed envelope to your math teacher.
